WELCOME

A small bar with a stubborn belief in slow coffee.

Cafe Zyan is a specialty coffee bar on Mercer Lane. We source in small lots, rotate our pour-over list weekly, and bake everything in the case each morning — because coffee tastes better when nobody's rushing it.

Six days of quiet · one even quieter on Mondays

About

Cafe Zyan is a modern sanctuary where rich coffee culture meets everyday connection. What started as a small dream to serve premium brews has evolved into an expanded, multi-concept hub featuring dedicated indoor workspaces for creators and vibrant outdoor spaces to unwind. We are a place where local flavor, comfort, and creativity come together every day. We hope you enjoy our premium pastries and drinks!
